All-level Oil Painting is a smorgasbord of lessons and information for students at all levels, Through a combination of online video demos and illustrated lessons, plus live Zoom sessions, each weekly class includes 3 modules: beginner, intermediate, and advanced.

Students can stay with the level best for them, or they can roam through all the levels to pick-and-choose the most useful lessons. The beginner's module covers basics of alla prima and direct painting. Color is the focus for intermediate students as a wider range of painting methods is introduced. Advanced students learn to produce a tonal under-painting, glaze, scumble, and apply a velatura.
