## Materials

Please have all supplies ready for the first class meeting. Wooden modeling boards will be supplied by PAFA.

### **Sculpture Supplies**

- 25lb bag water clay (dick blick or Norristown Ceramic Supply). Red colored clay is preferred but not necessary.
- Set of wooden modeling tools, available on amazon. I also recommend the following:
  - 11" modeling rake (<https://shop.sculpt.com/products/rakertools?variant=48015959687483>)
  - 8" hardwood tool for general modeling (<https://shop.sculpt.com/products/copy-of-boxwood-clay-tool-16-8in> or <https://shop.sculpt.com/products/acacia-wood-tool-13b-8>)
  - Recommended: Inexpensive wood or plastic modeling tool set: Gives you a range of options which are easily modified with sandpaper. - Calipers (dick blick)
- Spray bottle
- Metal dinner knife
- Plastic bag for keeping sculpture wet. Plastic bags for tall kitchen garbage cans are ideal.
