All Zoom meetings take place in Eastern Time.

You will receive instructions\* for accessing Zoom videoconferencing sessions in a reminder email two days before the course start date. Please be sure to check your email junk/spam folder. We ask that you please take advantage of the Zoom tutorial before the course begins. Basic training sessions for Zoom will be made available at the start of the course as well. Review PAFA's list of [Zoom Technical Requirements](#) for additional information.

\* Please note: The passcode included in the instructions for entering Zoom sessions is case-sensitive and should include no added punctuation at the end. If you are entering the passcode correctly and it is not being accepted as valid, try clearing your internet browsing history and restarting your device before re-entering it. Students having continued difficulty accessing Zoom due to issues with their device or internet connection, may wish to use an alternate device, such as a smartphone, to enter a particular day's session.

You will also receive an invitation to join Canvas, PAFA's online learning management system, on, or shortly before, the course start date. Your username is the email you registered with, and you will need to set up your
