I will list specific supplies needed for each book in the project outline which will be emailed to each student before the course begins.

Amazon is a great resource for these items. You can even purchase a binding kit with varying supplies and price points. *For an example:*

- *Binding tools*
- *Book cloth*
- *Thread*
- *Book board*

NOTES: Although the Book cloth and board size in these links may be on the smaller side, These are good recommendations for smaller sized books. These are also suggestions. You are not required to purchase any of these items from Amazon. You can go to any art store to find Bookbinding materials and supplies, OR you can order on line from: Talas, or John Neal Books
