II. Brushes

Preferably rounds and filberts in both bristle and sable or synthetic sable in varied sizes.

- For your round sables (watercolor type brush), make sure you have a few that will come to a point. Ideal numbers for these would be Nos. 2's, 3's, 4's, 6's.
- For good inexpensive round brushes, try Dick Blick's Masterstrokes (Nos. 3 and 4). Short handle sable watercolor brush is best. Long-handled brushes have a different number sequence: Nos. 8 to 10.

III. Supports

- For head study: 16 x 20 minimum; 20 x 24 or 18 x 24 recommended; at least 24 x 30 or larger if hands are included

Note: Some students may prefer to work on panel, either gessoed masonite or wood.
