

**Course:** Pour, Peel, & Paint: Abstract Methods in Acrylics (In-Person)

**Instructor:** Anthony Ciambella

**Days/Dates:** 6 weeks, Thursdays, March 11 – April 15

**Time:** 12:30 p.m. - 3:30 p.m.

**Location:** Room 610, 6<sup>th</sup> Floor / Samuel M.V. Hamilton Building

128 N. Broad Street, Philadelphia, PA 19102 (**Use Student Entrance on Lenfest Plaza / Cherry Street**)

---

For the first class you will need an inexpensive canvas panel in a size you are comfortable working with, and all the acrylic products you already have. We will be working with some unusual materials that you probably have around the house and that are not commonly used with acrylics. Unless there is a sale, please do not buy anything until after the first class.
