Instructor: Anthony Ciambella

Days/Dates: 5 weeks, Session 2, Saturdays, July 11 – August 8

Time: 10 a.m. – 12 p.m.

After the initial PowerPoint presentation, you will have a better idea of the types of materials and tools you can buy and use for projects in future classes.

- For the first week come prepared to make a collage with items you can cut from magazines, digital prints, old photographs, or fabric swatches.
- You will also need scissors or an x-acto knife, tweezers, a small soft-hair brush, and a support to attach things, such as an inexpensive canvas panel in a size you are comfortable using (e.g. 11x14 or 16x20).
- For an adhesive you can use acrylic matt medium. Weekly demos will inform you what to bring for future classes.
